Summary

I'm Electrical and Electronics Engineer as well as Motion Graphics Artist. As an engineering student I've sufficient knowledge on Satellite Communications and Broadcasting, Optical Fiber Communication, Digital Circuits Systems, Wireless Communication, Cellular Mobile Communications and Neural Networks that I gained through my studies in the university. I'm skilled in Adobe Creative Cloud applications like Photoshop, Illustrator, InDesign, Premiere Pro and After Effects with knowledge in some of its plugins like Cinema 4D and Element 3D. I'm also used to in Microsoft Office Packages. I have been working professionally in different organizations and events.

Skills Highlights

- Technical Skills: C, C++, Python, MATLAB, Hardware Description Language for FPGA, HTML, CSS, JavaScript
- Other Software: OMNeT++, Cisco Packet Tracer, Vivado, Proteus, Multisim and KiCAD
- CAD for Engineering: SolidWorks, Catia and AutoCAD
- Graphics Designing: Figma, Adobe Photoshop and Adobe Illustrator
- Motion Graphics Design: Adobe After Effects and Adobe Premiere Pro
- 2D/3D Animation: Blender, Cinema 4D
- Video Project Conceptualizer

Experiences

a) **IC Tech Media Pvt. Ltd (Living with ICT/ICT Award)**
Chief Creative and Technical Officer | Jun 2021 – Present
Responsible for creating each and every motion graphics including Grand Finale LED contents, 3D identities, promos and each and every animated content for different pre-events and main event of ICT Award – The Biggest Tech Award of Nepal (2021 to 2025), Startup and Idea Fest (2021 to 2025). Promoted to **Video Producer** and then **Production Director for ICT Award 2024 and 2025**. Coordinated Live Broadcast and Television Episode from 2022-2024 broadcasted in Kantipur Television and 2025 in Himalaya Television. Continuing role as Production Director.

b) **ICT Foundation Nepal**
Chief Creative and Technical Officer | Part time | Jun 2022 – Present
Core Team Member of Digital Nepal Conclave event organized by ICT Foundation Nepal every year. Responsible for every video related work in Digital Karnali Conclave 2024,

2025, Digital Madhesh Conclave and DNC 2022, 2023, 2024 and 2025. Worked as **Technical Consultant** for Girls in ICT Program organized **by Nepal Telecommunications Authority (NTA)** and **International Telecommunications Union (ITU)** in different provinces of Nepal.

c) **Technova Hardware and IT Solutions**
Chief Technical Officer | Owner | April 2025 – Present
Overlooking every technical and creative aspect of the new startup focused on electronics and STEM Education.

d) **Kantipur Engineering College (TU)**
Teaching Assistant | May 2026 – Present
Assisting laboratory sessions on Signal & System, Digital Signal Processing and Analysis, Communication System, etc. for Computer Engineering and Electronics & Communication Engineering Students.

e) **Kathmandu University (KU)**
Teaching Assistant | September 2026 – Present
Assisting laboratory sessions on Digital Logic for Computer Engineering Students.

Training & Certifications

a) **Certificate Course on Graphics Designing**
Animax Animation Academy | 2018

b) **Network Support and Administration**
Sky Broadband | 2025

c) **Registered Engineer Certification**
Nepal Engineering Council | 2025

Internship

- **Intern (Network Support and Administration),** *Sky Broadband (2025)*
- **Intern (Digital Ecosystem),** *On-Campus Internship Program, SoE, KU (2022/23)*
- **Intern (Publications & IT),** *Communication and Information Processing Nepal CIPN Conference 2023*

Education

- ME in Communication Engineering (2025-running)
  School of Engineering, Kathmandu University, Dhulikhel, Kavre

- BE in Electrical and Electronics Engineering
  Specialization in Communication (2021-2025) | CGPA: 3.63 (Distinction)
  School of Engineering, Kathmandu University, Dhulikhel, Kavre

- +2 in Science (2018-2020)
  Moonlight Secondary School, Kumaripati, Lalitpur | CGPA: 3.54

- SEE (2018)
  Anant English School | GPA 3.75

Leadership Positions

- **President,** *Society of Electrical and Electronics Engineers, KU (2024-2025)*
- **Vice President,** *Society of Electrical and Electronics Engineers, KU (2023-2024)*
- **Chief Editor,** *Society of Electrical and Electronics Engineers, KU (2022-2023)*
- **Media Manager,** *SEDS-KU (2022)*
